

# I Can't Say No

Natalie Cole

Here I am, there you are  
If you ask me to walk a thousand miles  
Just to be where you are  
I can't say no if you ask me

If I had a dime, it's yours as well as mine  
I'd keep the penny, you know I would  
And gladly give you the nine  
I can't say no if you asked me

If you told me tonight to get up  
Pack my bags, let's go away  
I wouldn't even care what my Mommy  
What my Daddy might have to say  
'Cause I can't say no if you ask me

Oh, no, you're too beautiful to be to be  
(You know I can't say it, baby, no)  
You mean everything to me  
(No, ifs and no maybe No)

And that's why I that's why I  
That's why I that's why  
(You know I can't say it, baby)  
I can't say no if you ask me

Sometimes I get so angry  
I walk around and I pout all day  
And then he kisses me

And asks me do I love him  
In a sweet, soft, sexy kind of way  
I can't say no if he asks me

Ooh no, I can't say no if he asks me  
I can't say no if you ask me  
Baby, baby, baby  
I can't say no if you ask me

I can't say no if you ask me  
I can't say no if you ask me  
I can't say no if you ask me
