

# I Wish You Love

Natalie Cole

Goodbye, no use leading with our chins  
This is where our story ends  
Never lovers, ever friends  
Goodbye, let our hearts call it a day

But before you walk away  
I sincerely want to say  
I wish you bluebirds in the spring  
To give your heart a song to sing

And then a kiss, but more than this  
I wish you love  
And in July a lemonade  
To cool you in some leafy glade

I wish you health  
But more than wealth  
I wish you love  
My breaking heart and i agree

That you and i could never be  
So with my best  
My very best  
I set you free

I wish you shelter from the storm  
A cozy fire to keep you warm  
But most of all when snowflakes fall  
I wish you love  
But most of all when snowflakes fall

I wish you love  
I wish you love  
I wish you love, love, love, love, love  
I wish you love
