

If I Ever Lose My Faith In You

Natalie Cole

You could say I lost my faith in science and progress
You could say I lost my belief in the holy church
You could say I lost my sense of direction
You could say all of this and worse but

If I ever lose my faith in you
There'd be nothing left for me to do

Some would say I was a lost girl in a lost world
You could say I lost my faith in the people on TV
You could say I'd lost my belief in the politicians
They all seem like game show hosts to me

If I ever lose my faith
Please don't let me lose my faith
I don't want to lose my faith
In you

I never saw no miracle of science
That didn't go from a blessing to a curse
I never saw no military solution
That didn't always end up as something worse but
Let me say this first

I could be lost inside their lies
Without a trace
But every time I close my eyes
I see your face

If I ever lose my faith in you
There'd be nothing left for me to do
If I ever lose my faith
If I ever lose my faith
Please don't let me lose my faith
I don't ever want to lose my faith
In you
