Let's Face the Music and Dance

Natalie Cole

There may be trouble ahead
But while there's moonlight and music
And love and romance
Let's face the music and dance

Before the fiddlers have fled Before they ask us to pay the bill And while we still have the chance Let's face the music and dance

Soon, we'll be without the moon Humming a different tune and then

There may be teardrops to shed So, while there's moonlight and music And love and romance Let's face the music and dance, dance Let's face the music and dance
