Miss You Like Crazy

Natalie Cole

Even though it's been so long My love for you keeps going strong I remember the things that we used to do A kiss in the rain till the sun shine through I tried to deny it but I'm still in love with you

I miss you like crazy, I miss you like crazy Ever since you went away, every hour of every day I miss you like crazy, I miss you like crazy No matter what I say or do There's just no getting over you

I can see the love shining in your eyes And it comes as such a sweet surprise If seeing's believing it's worth the wait So hold me and tell me it's not too late We're so good together, we're starting forever now

And I miss you like crazy, I miss you like crazy Ever since you went away, every hour of every day I miss you like crazy, I miss you baby A love like ours will never end Just touch me and we're there again

Just one night And we'll have that magic feeling like we used to do Hold on tight And whatever comes our way we're gonna make it through

If seeing's believing it's worth the wait So hold me and tell me it's not too late We're so good together, we're starting forever now

And I miss you like crazy, I miss you like crazy No matter what I say or do There's just no getting over you And I miss you, baby, I miss you, baby All the tender love you gave me When a feeling gets this strong You know the real thing come along

And I miss you I miss you like crazy baby Only your sweet love can save me I miss you like crazy A love like ours will never end Just touch me and we're there again Miss you like crazy, I miss you like crazy
