

## Nice 'N' Easy

Natalie Cole

Let's take it nice and easy  
It's gonna be so easy  
For us to fall in love

Hey baby what's your hurry  
Relax, don't you worry  
We're gonna fall in love

We're on the road to romance  
That's safe to say  
But let's make all the stops along the way

The problem now of course is  
To simply hold your horses, to rush would be a crime  
'Cause nice and easy does it every time

We're on the road to romance  
That's safe to say  
But let's make all the stops along the way

The problem now of course is  
To simply hold your horses, to rush would be a crime  
'Cause nice and easy does it, nice and easy does it  
Nice and easy does it every time

Like the man says one more time  
Nice and easy does it, nice and easy does it  
Nice and easy does it every time
