

Safe

Natalie Cole

She broke your heart
You fell apart
Boy, you didn't know what hit ya
You never thought that you'd get caught
Doing it again
Now, did ya?
So hard to get so cool and yet
You're lovin' it and you know it
Cause when we meet
We feel the heat
Trying so hard not to show it
In the arms of romance
You say you'll never go back, no way

Just when you thought it was safe
That you could never fall in love again
Just when you thought it was safe
Look what I got'cha thinkin' of again

It took a while to make you smile
Boy, you didn't know what hit ya
Hard as you try, you can't deny
That you're ready now
Would I kid ya?
So take the reins and break the chains
No, you can't hold back forever
You're in control, you're on a roll
And the timing won't get no better
In the arms of romance
You say you'll never go back, no way

Just when you thought it was safe
That you could never fall in love again
Just when you thought it was safe
Look what I got'cha thinkin' of again

It's not a crime to change your mind
People do
It's not so bad, it's easy to
You never know when love will show you the way
You don't belong to yesterday

Just when (oh boy) you thought it was safe
You didn't know what hit ya
Now, did ya?
Ha, ha, ha, yeah, yeah, oh baby
I got'cha thinkin'
Now didn't I, now didn't I
Now didn't I, boy?

Trying hard to be cool
But my love's getting through
You're in trouble
I bet'cha my love is surely gonna get'cha, baby

Just when you thought it was safe
You've been runnin' and hidin'

Slippin' and a-slidin' no more

Just when you thought it was safe
It's not safe
That you could never fall in love again

Just when you thought it was safe
You're in love
Look what I got'cha thinkin' of again

I got'cha thinkin' now, didn't I?
Now I got'cha wonderin', now don't I?
Oh, I got'cha thinkin'
I got'cha thinkin'
My love is gonna get'cha
Looks like my love is getting through
