Since You Asked

Natalie Cole

What I'll give you since you asked Is all my time together Take the rugged sunny days The warm and rocky weather Take the roads that I have walked along Looking for tomorrows time Piece of mind

As my life spills into yours Changing with the hours Filling up the world with time Turning time to flowers I can show you all the songs That I never sang to one man before

We have seen a million stones Lying by the water You have climbed the hills with me To the mountain shelter Taking off the days One by one Setting them to breathe In the sun

Take the lilies and the lace From the days of childhood All the willow winding paths Leading up and outward This is what I give This is what I ask you for

This is what I give This is what I ask you for Nothing more
