

# Somewhere Along the Way

Natalie Cole

I used to walk with you  
Along the avenue  
Our hearts were carefree and gay

How could I know I'd lose you  
Somewhere along the way?

The friends we used to know  
Would always smile, "Hello"  
No love like our love they'd say

Then love slipped through our fingers  
Somewhere along the way

I should forget  
But with the loneliness of night  
I start remembering everything

You're gone and yet  
There's still a feeling deep inside  
That you will always be part of me

So now I look for you  
Along the avenue  
And as I wander I pray

That some day soon, I'll find you  
Somewhere along the way

I should forget  
But with the loneliness of night  
I start remembering everything

You're gone and yet  
There's still a feeling deep inside  
That you will always be part of me

So now I look for you  
Along the avenue  
And as I wander I pray

That some day soon, I'll find you  
Somewhere along the way  
Somewhere along the way
