## **Stardust**

**Natalie Cole** 

Sometimes I wonder why I spend The lonely night dreaming of a song The melody haunts my reverie And I am once again with you

When our love was new And each kiss an inspiration But that was long ago And now my consolation Is in the stardust of a song

And beside a garden wall When stars were bright You are in my arms The nightingale told his fairy tale A paradise where roses bloom

Though I dream in vain In my heart it always will remain My stardust melody The memory of love's refrain

Though I dream in vain In my heart it always will remain My stardust melody The memory of love's refrain

The memory of love's refrain
