

# Awaken

Natalie Grant

Sometimes I feel like I'm just existing  
I'm not really living  
I'm only watching the time slip away  
I've forgotten who I am in you  
I'm not who I'm meant to be  
I'm drifting farther away from my destiny

Awaken my heart, awaken my soul  
Awaken your power and take control  
Awaken the passion to live for you, lord  
Awaken me  
My soul is longing, my heart is searching  
I'm desperate for you to move  
Give me a hunger, pull me closer  
I'm crying out to you  
Awaken my heart, awaken my soul  
Awaken your power and take control  
Awaken the passion to live for you, lord  
Open my eyes so I can see your presence  
Dwelling inside  
Wake me up, cause I can't live another minute  
if I'm not shining your light  
Awaken my heart, awaken my soul  
Awaken the passion in me  
Lord, awaken me to live my destiny  
Lord, awaken me and shine your light through me  
Lord, awaken me to live my destiny  
Lord, awaken me and shine your light through me
