

Perfect People

Natalie Grant

Never let 'em see you when you're breaking
Never let 'em see you when you fall
That's how we live and that's how we try
Tell the world you've got it all together
Never let them see what's underneath
Cover it up with a crooked smile
But it only lasts for a little while

There's no such thing as perfect people
There's no such thing as a perfect life
So come as you are, broken and scared
Lift up your heart and be amazed
And be changed by a perfect God

Suddenly it's like a weight is lifted
When you hear the words that you are loved
He knows where you are and where you've been
And you never have to go there again

There's no such thing as perfect people
There's no such thing as a perfect life
So come as you are, broken and scared
Lift up your heart and be amazed
And be changed by a perfect God

Who lived and died to give new life
To heal our imperfections
So look up and see out let grace be enough

There's no such thing as perfect people
There's no such thing as a perfect life
So come as you are, broken and scared
Lift up your heart and be amazed
And be changed by a perfect God

By a perfect God (5x)

Be changed by a perfect God
Be changed
