

Safe

Natalie Grant

How did you know
That I'm all alone today
Oh, I feel so scared
And I want to go away
I bleed so deep underneath
My soul is screaming

I'm not gonna hide
I'm not gonna run away
I'll uncover the scars
And show you every mistake
Your love is mending my blisters
And the bruising shame
Here with you
I am safe

Drowning the tears
Won't make it go away
It's robbing my soul
I'm taking this mask off my face
To discover love
And uncover all
It means to live and breathe

I'm not gonna hide
I'm not gonna run away
I'll uncover the scars
And show you every mistake
Your love is mending my blisters
And the bruising shame
Here with you
I am safe

When you uncovered, I discovered
I am not afraid
But when we're hiding
We end up fighting
To be safe

I'm not gonna hide
I'm not gonna run away
I'll uncover the scars
And show you every mistake
Your love is mending my blisters
And the bruising shame
Here with you
I am safe
