

Song To The King

Natalie Grant

You came to the world
For Love of one Like Me
And Though I am the worst of sinners
Grace is all I see
Freedom from these chains
My brokenness redeemed
Love and Mercy flowing down
To life eternally
How could I repay such a debt
Except with my life
How could I give anything but sacrifice
Sacrifice of praise

To the King Eternal, immortal
Be all the glory forever Amen
To the King Eternal, immortal
Be all the glory forever Amen

In plenty and want
Your strength is all I need
And deep within these shadow lands
Your glory never leaves

My Praise will go on and on and on
My Praise will go on and on and on
My Praise will go on and on
Oh my Praise will go on

Oh my Praise will go on and on and on
My Praise will go on and on
My Praise will go on and on

Oh and on and on and on and on and on
And on and on and on

To the King eternal, immortal
Be all the glory forever Amen

To the King eternal, immortal
Be all the glory forever Amen

To the King eternal, immortal
Be all the glory forever Amen

To the King eternal, immortal
Be all the glory forever Amen

I'm giving all of me
This is my offering
