

## Within Me

Natalie Grant

When I feel the worlds against me  
Left me in the cold  
Thinking I've been forgotten  
Out there on my own

I close my eyes and in the silence  
Hear a voice so clear  
Reminding me your love  
Is always right here

Within me-then all of my doubts disappear  
And there's nothing to fear- your loves  
Within me  
You gave me strength to believe  
That all that I am and all that I'll ever need is  
Within me

When my spirit's all but broken  
I'm humbled to the bone  
Searching for the grace  
To find my way home

I take a breath, a slow deep breath  
And feel a sense of calm  
Then the hurt in my heart is suddenly gone

Within me you wiped away all my tears  
There's nothing to fear- your love's within me  
It gives me the strength to believe  
That all that I am and all that I'll ever need is  
Within me
