

Within Me

Natalie Grant

When I feel the worlds against me
Left me in the cold
Thinking I've been forgotten
Out there on my own

I close my eyes and in the silence
Hear a voice so clear
Reminding me your love
Is always right here

Within me-then all of my doubts disappear
And there's nothing to fear- your loves
Within me
You gave me strength to believe
That all that I am and all that I'll ever need is
Within me

When my spirit's all but broken
I'm humbled to the bone
Searching for the grace
To find my way home

I take a breath, a slow deep breath
And feel a sense of calm
Then the hurt in my heart is suddenly gone

Within me you wiped away all my tears
There's nothing to fear- your love's within me
It gives me the strength to believe
That all that I am and all that I'll ever need is
Within me
