

# City

Natalie Imbruglia

Had a dream  
had a drowning dream I was in a river of pain  
only difference this time  
I wasn't calling out your name yeah  
has it ended before it's begun  
you hold on  
and I try to run but  
anybody heading in my direction  
away from the city  
anybody wanna  
change the way they feel step inside  
doesn't really matter where you wanna take me  
away from the city  
I wanna start again  
I wanna start again  
I wanna take it back  
I wanna start again

funny how those friends forget you when you tire of their  
games  
you miss a show or a party that blows  
and they've forgotten your name, yeah  
and you wonder what you've become  
they pull you back when you try to run  
well anybody heading in my direction  
away from the city  
anybody wanna change the way they feel step inside  
doesn't really matter where you wanna take me  
away from the city  
I wanna start again  
I wanna start again  
I wanna take it back  
I wanna start again

I left the me I used to be  
I wanna see this through  
I left the me I used to be  
if only you'd see it too  
well I wonder what you've become  
you pull me back when I try to run
