## Natalie Imbruglia

## Left of the Middle

End of the third round as I put the phone down chasing the same lines over the old ground I'm pushing zero where s my hero he's out there somewhere left of the middle and your world falls down and you're there calling out but it's something I can't say though it seems the only way but it's a game that I can't play - not today

I got my ticket find I got a straight road but I'm passing the same signs over and over and my world falls down and I'm there calling out but it's something I cant say though it's the only way but it's a game that I can't play - not today

I need to tell you trying to get through it's not always easy left of the middle
