

# My God

Natalie Imbruglia

I'm feeling kinda strange  
I'm feeling kinda jammed up and outta the way  
I know it's all derranged  
And nothing's gonna give til I'm outta this place  
Looking at the horizon  
I wanted to rewind everything is blinding  
I'm gonna take your time  
I wonder if you float while the sea is rising

I don't know, I don't know, I don't know, I don't know, I don't know  
the way you make me feel  
Here we go, here we go, here we go, here we go again

My god your face is so beautiful  
My god I see you so clearly  
If I could stay with you  
Oh my god I'd give my soul there's nothing else  
My god don't you leave me here

You're looking for a flower  
You're looking for a flower but you find a tree  
I'm looking for a river  
And suddenly an ocean is washing over me

I don't know, I don't know, I don't know, I don't know, I don't know  
the way you make me feel  
Here we go, here we go, here we go, here we go again

My god your face is so beautiful  
My god I see you so clearly  
If I could stay with you  
Oh my god I'd give my soul there's nothing else  
My god don't you leave me here

I wanted to know you  
Wanted to see you  
Wanted to feel you  
Shoulda believed you  
Wanted to hold you  
Wanted to show you  
Wanted to be you, be you

My god your face is so beautiful  
My god I see you so clearly  
If I could stay with you  
Oh my god I'd give my soul there's nothing else  
My god don't you leave me here
