One More Addiction

Natalie Imbruglia

First the good news it's gonna feel very nice then the bad news you gotta pay a heavy price rip tide, we slide we ride on a deep forbidden sea underwe qo - o so slow and you're hanging onto me and I say oh oh one more addiction in my world oh one more connection to let go oh flowing down the river out of sight forever (from my world) it's the only thing I know how to do I reject you but I can't follow through I'd forget you but you'd end up tappin' on my back door somehow I lost myself in a tunnel long and black somewhere, at the end, I pretend there's a way of turning back [chorus] take a breath let it out all the things you frown about are meaningless of course, unless you're doing this for real I guess I meant to but I don't know what is in the way and could I say it's you I bet I won't forget maybe I'm not ready yet [chorus]
