Starting Today

Natalie Imbruglia

Starting today I'm not gonna waste another moment
Even if I had the chance before I would have blown it
But you took me by surprise
And you caught me just in time
Everyday you give me reason not to walk away
I stop believing that the world's gone crazy
And if it is you'll save me
Starting today I'm not gonna worry about tomorrow
I'll wash away all this fear that's left me feeling hollow
Cause you made me want to try
And you caught me just in time
Everyday you give me reason not to walk away
I'll stop believing I should burn like crazy
Cos if I did you chase me

Anyway, I should have told you
So many times
That I shyed away
Somehow you always seem to
Be there, making it easy
And you give me reason to stay

Everyday, Everyday, Everyday
Oh everyday I'll stop believing that I should burn like crazy
Cos if I did you chase me
Anyway you give me reason not to walk away
I stop believing that the world's gone crazy
And if it is you'll save me

Starting today I'm not gonna waste another moment...
