

# Motherland

Natalie Merchant

Where in hell can you go  
far from the things that you know,  
far from the sprawl of concrete  
that keeps crawling its way  
about a thousand miles a day?  
Take one last look behind,  
commit this to memory and mind.  
Don't miss this wasteland  
this terrible place, when you leave  
keep your heart off your sleeve.  
Motherland cradle me, close my eyes,  
lullaby me to sleep.  
Keep me safe, lie with me,  
stay beside me, don't go,  
don't you go.

Oh, my five & dime queen  
tell me what have you seen?  
The lust and the avarice  
the bottomless, the cavernous greed  
is that what you see?

Motherland cradle me, close my eyes,  
lullaby me to sleep.  
Keep me safe, lie with me,  
stay beside me, don't go.  
It's your happiness,  
I want most of all  
and for that I'd do anything at all

Oh mercy me!  
If you want the best of it,  
or the most of all  
if there's anything I can do at all.  
Now come on shot-gun bride,  
what makes me envy your life  
Faceless, nameless, innocent  
blameless, and free,  
what's that like to be?

Motherland cradle me, close my eyes,  
lullaby me to sleep.  
Keep me safe, lie with me,  
stay beside me, don't go,  
don't you go.
