

# Jenny

Natalie Prass

Jenny look at me in the eye  
Jenny look at me in the face  
Jenny please sit in one place  
Cause Jenny I got lots to say

Oh I know that we had been writing songs  
I know that we have always gotten along  
Oh but Jenny I need you to know  
That Jenny I have got to leave you and go, oh no

No you don't want to be around  
In my stains, my paintings

Oh Jenny you've always been strong  
So pretty and so young, well  
I knew that it wouldn't take you very long to  
find the right road that you should be working on

So I wrote a song to your daddy  
and spent some time to your mum  
And when this is all over.  
We will both start right back where we left off when we go, oh  
no

No you don't want to be around  
In my stains, my paintings  
And when this smile is broken down  
We're not the same, we're not the same

Oh Jenny look at me in the eye  
Oh Jenny look at me in the face  
Oh Jenny please sit in one place  
Cause we've got so much to say

As we go, oh no  
As we go, oh no  
No you don't want to be around  
In my stains, my paintings  
And when this smile is broken down  
Oh no we're not the same, oh no we're not the same  
The same
