Ever since the day you went away
And left me lonely and cold
My life just hasn't been the same
Oh baby no
When I looked into your eyes
The moment that I let you go I just broke down (down)

Baby if I ever get the chance to be with you again I would sacrifice 'Cause the feelin that I feel within no other man Would ever make me feel so right

It's nice to smile when I get your phone call at night But I'd rather have you here with me Right next to me
And I miss the way you hold me tight

I've got to let you know I feel so weak without your touch I never thought that I could ever love a man so much I've gotta let you know I think that we are destiny For you I'd cross the world for you I'd do anything

That's right baby
I'm goin' crazy
I need to be your lady
I've been thinking lately
That you and me, yes we can make it
Just ride with me, roll with me
I'm in love with you (baby)

That's right baby
Im goin' crazy
I need to be your lady
I've been thinking lately
That you and me, yes we can make it
Just ride with me, roll with me
I'm in love with you (baby)

Break it down now I'll tell you what I feel From the moment that I met you it's been so damn real My heart seems to skip another beat every time we speak Can't believe I feel so weak Tell me that you really need me And you want me And you miss me And you love me I'm your lady I'll be around waiting for you Put it down be the woman for you I'm falling so deep for you Crazy over you I'm calling Callin' out to you What am I gonna do? It's true no frontin' It's you ain't no other I can no longer go on without you I'll just break down (down)

I've got to let you know I feel so weak without your touch I never thought that I could ever love a man so much I've gotta let you know I think that we are destiny For you I'd cross the world for you I'd do anything
