## What You Gonna Do?

So what you gonna do What you, what you gonna do Well, it's the King of the Trill, Bun B on the flip Coming down dripping that candy with grain and grip You see my tippin' my fours, see me bangin' my screws See me lookin' for something jazzy baby, just like you So what you gonna do, so what you gonna do So what you gonna do, so what you gonna do What you gonna do if I say I'm gonna leave with you tonight, tonight, tonigh t. What you gonna do if I say I'm gonna leave with you tonight, tonight, tonigh t So you can call me up, and you can pick me up We can do whatever you wanna do I know you wanna touch, well let me know what's up We can do whatever you wanna do I spotted you and I noticed you were lookin' at it It's up to you, however you want to get at it Well make your move Because I'm waiting for you tonight, tonight, tonight So can I roll with you You can roll with me If it's what you wanna do Let me know girl So I'll be down with you You'll be down with me If it's what you wanna do Let me know boy I got the whip outside When you're ready, we can roll It's sitting on the thang So you know we about to roll I'm trying to get at you So you can leave with me tonight, tonight, tonight So what you gonna do What you, what you gonna do wit' it What you gonna do if I say I'm gonna leave with you tonight, tonight, tonigh What you gonna do if I say I'm gonna leave with you tonight, tonight, tonigh t. So you can call me up, and you can pick me up We can do whatever you wanna do I know you wanna touch, well let me know what's up We can do whatever you wanna do I like the way you comin' at me Boy it feels good You put it down like I know you would It's me and you alone

Natalie

Boy let's take our time And no need to rush So we'll do what's on your mind So can I roll with you You can roll with me If it's what you wanna do Let me know girl So I'll be down with you You'll be down with me If it's what you wanna do Let me know boy I got the whip outside When you're ready, we can roll It's sitting on the thang So you know we about to roll I'm trying to get at you So you can leave with me tonight, tonight, tonight So what you gonna do What you, what you gonna do wit' it You wanna go with a rider You wanna ball out in style Well get behind the wheel with the trill I'll make it worth your while I'll show you just how it feels, feels To live like a queen And cut you out a slice of life baby that you've never seen The best cars, clothes, cribs, and shine Not to mention, the thug love makin' to blow your mind Anytime she want more than just a one hitter quitter She already know Call me up and mayne i'm comin to get her What you gonna do if I say I'm gonna leave with you tonight, tonight, tonigh What you gonna do if I say I'm gonna leave with you tonight, tonight, tonigh t So you can call me up, and you can pick me up We can do whatever you wanna do I know you wanna touch, well let me know what's up We can do whatever you wanna do Natalie King of the Trill Bun B H-Town So what you gonna do What you, what you gonna do wit' it
