

# I Don't Care

Natas

I don't care  
I don't care  
I don't care  
I don't care  
I don't care  
I don't care  
I don't care  
I don't care

[ESHAM]

One day Ima learn hoe ass niggaz ain't worth my while  
Funny style actin, dirty maccin, playa hatin, contemplatin, fuckin my  
thoughts up  
I get caught up in this bullshit, the way bitches bullshit  
Niggaz be jealous, sometimes even my fellas  
Things change, niggaz rearrange whether ya tell us  
Life is bullshit, and I know that this is true  
Sometimes I feel depressed, what can a nigga do?  
ain't no way out, only way out is the route of a slug point blank at  
my mug  
Sometimes I just want to scream at the world, I'm mad  
Other times I feel happy just to be sad  
I don't really got much more to say  
cus people die everyday, and we gonna all die anyway  
Its kinda hard, but who said life was fair  
And from the funky stains in my underwear  
I don't care

[MASTAMIND]

No I don't care no more  
No I don't care if niggaz stare at me  
Look at my face, I ain't happy  
Bitch what you want to come at me with?  
Not that same shit, see I'm shameless  
And I hang with that mentally derranged click  
Stay up off it, you can't change this  
can't teach a wicked witch new tricks  
Hell's the fire on the candle sticks  
Stay off these bloody streets  
for you ain't gonna see no peace  
I just don't give a fuck cus nobody gives a fuck about me  
So we be like fuck 'em, mother fuck 'em, can't trust 'em  
I'd rather .45 slug 'em before the grave diggers dug 'em  
I'm ready when you not  
my mind's twisted in a knot  
Can't let jealous niggaz see me cause they'll kill me on the spot  
Truth or dare, my gun gonna shoot up in the air  
Pieces of my mind over there, and there  
But I don't care

[ESHAM]

How can I care about somethin when I don't give a fuck about nothing.  
You  
don't care about me, you don't love me, and I don't love me. So fuck  
you, and

fuck you, fuck he, fuck she and fuck your G-O-  
D nigga. You know what I'm sayin?
