Mr. Hellraisers' in the house raisin' hell higher

So don't ask who motherfucker 'yo boom motherfucker  
Then rock it like this rock it like that  
Get the gat, get the gat, put him on his back  
Manic madmen don't give a fuck  
Nobody moves nobody gets fucked up

[Chorus 2x: Mastamind (Esham)]

Motherfucker bout to put in work, motherfucker bout to put in work

[Verse Two: Mastamind]

Kill a cop on my tail, wanna throw me in a jail  
Stop him in his tracks, take his ass straight to hell  
No mercy on my man no can give a cop that  
Can't give a cop?chat? but a slug when I cock back  
Years of many tears fly by, life's a bitch then you die  
But I don't ask why, I'ma bad guy  
So I'm better off dead now, go to head now, put me to bed now  
Rollin' to temple with a plan for the holy man, damn you don't know me man  
Rollin' like a killer only can, wicked man said I wasn't blessed, ?  
With a vest, so I make a mess  
I'm bout 2 do sum dirt

[Chorus 2x]

[Verse Three: Mastamind]

Got him in my scope soon you'll here the boom

Ya can't move cause ya froze up, yah it's a hold up  
Put 'yo hands in the air motherfucker  
Let 'em wave in teh sky, behave or you'll die  
Killing for a living like a hitman, you're looking at a sick man  
Holy shit goddamn  
Give me ya daily bread, I need to be fed

A suicidal problem to the? who don't care  
The?master can't play fair
