

# Killas Don't Talk

Natas

(Feat. T.N.T)

[TNT]

Another nigga dead cause he didn't know his fate  
Found him face down bloody body by the lake  
I didn't know his name but I swore I saw his face  
My clothes were all bloody so I gotta leave this place  
One more dead body and it's added to my list  
The drama's gettin thick cause I'm caught up in this shit  
The shit is kinda simple cause it started as a game  
The blood of a madman runs through my veins  
Killaz don't talk

[Chorus]

[TNT]

My hands were all bloody muddy tracks through the kitchen  
Undercover cops question me for suspicion  
Askin me some questions bout a murder I committed  
(Damn nigga did you do it, who done it) yeah I did it  
I'm thinkin to myself "Hope I didn't leave no clues"  
I looked at my feet and there was blood on my shoes  
Probably the homicide I have no alibi  
I guess I plead the 5th and I don't even try  
Killaz don't talk...

[Chorus]

[TNT]

One bloody body in the river floatin pale  
Body full of holes plugged from 17 shells  
I panic cause I'm manic cause I'm full of some depression  
I told them go to hell they ain't gettin know confession  
They said they know I did it cause they got an eye witness  
They saw me dump the body of a jehovahs witness  
They can't beat my mind cause my mind is kinda dead  
The truth I never said cause I'm fucked up in the head  
Killaz don't talk...
