

# Still Here

Natasha Bedingfield

You looked at me and saw what I never could see  
You made me feel more than I thought I could ever be  
And when I needed a friend you were always there to lift me up  
To make me strong  
You're not gone

You're still here  
With me all the time  
You're still here  
When I close my eyes  
I still see you  
I still feel you  
And we'll never be apart  
You're still here  
Still here in my heart  
In my heart

Because of you I knew how it felt to be loved  
You made me feel beautiful 'cause you believed I was  
And I will never forget how you touched my life  
You made me feel like I belong  
You live on

You're still here  
With me all the time  
You're still here  
When I close my eyes  
I still see you  
I still feel you  
And we'll never be apart  
You're still here  
Still here in my heart  
In my heart

All my life  
You'll be in my life  
You'll be part of me  
I'll just think of you and you'll still be  
You'll still be here

Still here  
You're with me all the time  
You'll still be here  
Still here  
When I close my eyes  
I still see you  
I still feel you  
And we'll never be apart  
You're still here in my heart

You're still...  
I still feel you  
And we'll never be apart  
You're still here in my heart  
In my heart  
In my heart  
In my heart

Still here
