

# Wild Horses

Natasha Bedingfield

Ooh  
I feel these four walls closin' in  
Face up against the glass  
I'm lookin' out, hmm  
Is this my life I'm wonderin'  
It happens so fast  
How do I turn this thing around?  
Is this the bed I chose to make?  
It's greener pastures I'm thinkin' about  
Hmm, wide open spaces far away

All I want is the wind in my hair  
To face the fear but not feel scared

Wild horses I wanna be like you  
Throwin' caution to the wind, I'll run free too  
Wish I could recklessly love like I'm longin' to  
I wanna run with the wild horses  
Run with the wild horses, oh  
Yea, yea

I see the girl I wanna be  
Riding bare back, carefree  
Along for shore  
If only that someone was me  
Jumpin' head first, head long  
Without a thought  
To act and down the consequence  
How I wish it could be that easy?  
But fear surrounds me like a fence  
I wanna break free

All I want is the wind in my hair  
To face the fear, but not feel scared

Ooh, wild horses I wanna be like you  
Throwing caution to the wind, I'll run free too  
Wish I could recklessly love like I'm longin' to  
Wanna run with the wild horses  
Run with the wild horses

I wanna run too  
Ooh  
Recklessly emboundin' myself before you  
I wanna open up my heart  
Telling how I feel

Ohh, wild horses I wanna be like you  
Throwing caution to the wind, I'll run free too  
Wish I could recklessly love like I'm longin' to  
I wanna run with the wild horses  
Run with the wild horses  
Run with the wild horses  
Ohh, yea, yea  
I wanna run with the wild horses, ooh
