

## Can't Turn Back Time

Natasha Thomas

So sorry, that you're gone, I never meant to hurt you, no no  
And Leaving you was wrong, I thought I was in love with  
Some one new, but the only one is you...

And while being with him, looking at him, I'm thinking of you,  
I can't let go  
Whatever we do, I'm telling the truth, my heart is with you,  
I want you to know  
I wanna go back but I can't do that, cause I crossed the line,  
and I can't turn back time

I think I'm gonna fall, cause you're not there to hold me, oh o  
h  
And he's not like you at all, but I know it's too late, I made  
my  
choice, but still I hear your voice...

And while being with him, looking at him, I'm thinking of you  
I can't let go  
Whatever we do, I'm telling the truth, my heart is with you,  
I want you to know  
I wanna go back but I can't do that, cause I crossed  
the line,  
and I can't turn back time

I'd like to give you all of me, tonight, ironically you'll  
never see...ooh  
Break

And while being with him, looking at him, I'm thinking of you  
I can't let go  
Whatever we do, I'm telling the truth, my heart is with you,  
I want you to know  
I wanna go back but I can't do that, cause I crossed the line,  
and I can't turn back time

And while being with him, looking at him, I'm thinking of you  
I can't let go  
Whatever we do, I'm telling the truth, my heart is with you,  
I want you to know  
I wanna go back but I can't do that, cause I crossed the line,  
and I can't turn back time
