

Young and Carefree

Natasha Thomas

I don't want to worry too much about my life
We don't want to hurry, no rush now, we're alright
Me and my friends, got plenty of time
Before we have to make up our minds

Don't know what we want to be, la di da di da da dah
Everybody sing with me, we're young and carefree
Only living for today, la di da di da da dah
Tomorrow seems so far away, we're young and carefree
La di da di da di da, da di da di da da dah
La di da di da di da
Young and carefree

I don't want to worry too much, about my life, I just want to
Sit here with you now, by my side
I don't want to talk or do anything, let's just kick back
And enjoy what life brings

We don't know what the future holds (for us)
If it's good or bad (It's too much)
So we're just taking it one day at a time, so far it's
Worked out fine
