

# Bag O' Weed

Nate Dogg

I'll bring the bag of weed  
You can bring the bottle of wine  
Call me whenever, we can get together  
And have us a real good time

I'll bring the bag of weed  
You can bring the bottle of wine  
Call me whenever, we can get together  
And have us a real good time

Its still morning  
I'm still yawning  
outside my window  
someone's calling  
her name was Micky  
habits freaky  
she liked to do me

did I mention  
that I'm balling  
rollin on gold ones  
thats right, crawling  
thats why she's jocking  
early this morning  
I'm feeling under the weather  
I'll soon be feeling better  
dont forget the paper this time

I'll bring the bag of weed  
You can bring the bottle of wine  
Call me whenever, we can get together  
And have us a real good time

the game up and make me cum just to say you came up

and gained what another strike on your rap  
when you coulda kept your mouth shut and right on the step  
with the program knowin damn well you wrong girl  
cuz I shook you and took two of your homegirls  
you played yourselves so I had to leave  
baby shoulda just chilled off this bag of weed
