Nate Dogg

I ain't got no time for no bitches  
I gotta clock my dough clownin'  
Hittin' switches in a green 6-4  
With the drink in a on deck and the bombest indo  
A car full of gas and nowhere to go  
I gets a call on the phone - "what's happenin'?"  
Pimpin', chillin' with bitches drinking Silver Satin  
Is them bitches on deck, on deck to the fullest  
Gots that type of game and I'm know just to pull 'em  
Now as I stroll and as I pass by  
Maxin' with my doggs feelin' dandy and high  
Is that looney muthafucka that they call Kurupt  
Ballin' out the house with some Gin in his cup

Now I found myself blowin' out smoke  
Bombed out looney and locced  
Open up them doors let me see some of th hoez  
it's Kurupt and I'm liable to fuck three or four  
I'm hittin' hoes like I'm hittin' licks  
But I don't love that trick bitch  
'Cause bitches gettin' niggaz dick sick  
I don't pay pay rent, my rent gets paid  
I pimp hoes like silky train  
On and on it goes  
I thought thete muthafuckas knew, but now you know

Puppy love, call it what you want, biatch  
Puppy love, call it what you want, biatch

1975 I was just a young pup  
tryin' to learn to be a dogg  
But in the process steadily gettin' fucked  
I met this lil' sexie dame ya'll before I knew  
All the rules to the game  
It ain't no need to lie  
A lil' nigga like me got played, and if she left me  
I thought I'd die  
Ya'll don't ask, I don't the reason why  
Thought she was sent from the heavens above  
Ya'll it's just a bad taste of puppy love

Puppy love, call it what you want, biatch  
Puppy love, call it what you want, biatch

Puppy Love  
Puppy Love  
Puppy love  
puppy love

Sometimes I sit and think of how I used to be  
Before I got converted to a D-O-double G  
I'd like to thank that girl  
From way back in the days  
Cause if it weren't for you I wouldn't pimp this way

Puppy love, call it what you want, biatch
