Sexy, sexy (4x)

Me and my niggas we roll Like each and every day Keep my heat beneath my seat Cos other niggas don't play Me and my niggas we ride Cos we know no other way One deep breath before I step And now it's time to play Now tell me who is that girl See her standin 'cross the way Watch me mack with eye contact Watch her become my slave Baby girl it's me Yeah that crazy nigga Nate I want that so don't talk back Let's just be on our way

You make me go crazy baby When I see a sexy girl I really go crazy baby When I see a sexy girl

You make me go crazy baby When I see a sexy girl You make me go crazy baby When I see a sexy girl

Say suga you look like a winner Let's have dinner tonight Escape your troubles and take a flight over night to the land of the hot and the sticky I know it's sticky but the best part's the mystery And leave the misery behind put this dick on your mind Extra freaky it ain't worth my time I gotta get mine, I'll make sure you get yours Body doin things you never did before Have you beggin for more Body all over the place Can't wait to see the expression that's on your face When you cum, are you cummin? Are you c-cummin? And I'ma ask you is it runnin, baby? You ain't never had the shit til you got dug by a thug and fucked doggy style on a bear skin rug Up and down stairs in the back of a limo On Interstate 5 on the way to San Francisco

You make me go crazy baby When I see a sexy girl I really go crazy baby When I see a sexy girl

You make me go crazy baby When I see a sexy girl You make me go crazy baby When I see a sexy girl

You make me, hmm You make me go

I'm havin a ball
Watch out for I fall
I'm headed for the girl that's standin on the wall
No flashin no bills
Just testin my skills
I'm lookin for a sexy girl so we can peel

You make me go crazy baby When I see a sexy girl I really go crazy baby When I see a sexy girl

You make me go crazy baby When I see a sexy girl You make me go crazy baby When I see a sexy girl
