That lady
I see her walking like she run the town
That lady
Got me so high that I can't see the ground

Every time you flick your hair I'm losing my mind
Everything you're giving me is what I like

You give me just enough to keep my body burning
Give me just enough
To keep me coming back
I wanna give up, but I can get it
I wanna give in but you keep giving such a rush
You give me just enough to keep me addicted

Can't stop shaking
No, no, no, no
Don't know how you got under my skin, yeah
Don't keep me waiting
I'll do anything to breathe you in

Every time you flick your hair I'm losing my mind
Everything you're giving me is what I like

You give me just enough to keep my body burning
Give me just enough
To keep me coming back
I wanna give up, but I can get it
I wanna give in but you keep giving such a rush
You give me just enough to keep me addicted

Addicted, addicted
Just enough to keep me addicted
Addicted, addicted
Just enough to keep me addicted

Yeah
I've got a little something to say
And it goes a little something like this:
I'm addicted
I'm addicted to you (4x)

You give me just enough to keep my body burning
Give me just enough
To keep me coming back
I wanna give up, but I can get it
I wanna give in but you keep giving such a rush
You give me just enough to keep me addicted

Addicted, addicted
Just enough to keep me addicted
Addicted, addicted
Just enough to keep me addicted

I'm addicted to you
I'm addicted
I'm addicted to you

I'm addicted
I'm addicted to you
I'm addicted ...
