

Flava

Nathaniel

Baby what is your secret?
You look amazing
How did you get so fine?
Get so fine
Crazy, what did you do to me?
You rock my fantasy
You make me lose my mind
Lose my mind

It's all you know what you're talkin'
It's all in your groove
You got my attention
I just can't move

You're my fascination
I can't let go
There's no explanation
I just got to get you
Got to get you

Flava, I got to have your flava
And I can't wait 'til later
Your taste is all I want
Flava, I got to have your flava
And I can't wait 'til later
Your taste is all I want

Lady, there's no mistaking
My world keeps shaking
I got them chosen signs
Chosen signs
Baby, you're my awakening
And just by walking you got me hypnotized, hypnotized

It's all you know what you're talkin'
It's all in your groove
You got my attention
I just can't move

You're my fascination
I can't let go
There's no explanation
I just got to get you
Got to get you

Flava, I got to have your flava
And I can't wait 'til later
Your taste is all I want
Flava, I got to have your flava
And I can't wait 'til later
Your taste is all I want

Flava, Flava
Your taste is all I want
[x2]

All I need

All I want
All I need
All I want

Flava, I got to have your flava
And I can't wait 'til later
Your taste is all I want
Flava, I got to have your flava
And I can't wait 'til later
Your taste is all I want

All I want
All I need

Flava, Flava
Your taste is all I want
