

You're Beautiful

Nathaniel

Girl I just wanna get inside
Just get inside you six at night
Oh, I just wanna cross the line, the line
Baby!

Aah aah, before it all goes crazy tonight
Aah aah, I just wanna say
Aah aah, you're beautiful, beautiful
Aah aah, you're rock and roll, rock and roll
Aah aah, you're beautiful, beautiful
Aah aah, you're beautiful

With you I lost all my control,
The minute you walked in the door
But I always got my eye
On the prize, the prize
Lady!

Aah aah, before it all goes crazy tonight
Aah aah, I just wanna say
Aah aah, you're beautiful, beautiful
Aah aah, you're rock and roll, rock and roll
Aah aah, you're beautiful, beautiful
Aah aah, you're beautiful

Aah aah ooh yeah...
Yeah!
And I ain't gon' lie
Gon' lie, no!

Aah aah, you're beautiful, beautiful
Aah aah, you're rock and roll, rock and roll
Aah aah, you're beautiful, beautiful
Aah aah, you're beautiful

...

Aah aah, you're beautiful, beautiful
Aah aah, you're beautiful
