

Sarin Benison

Natrium

Chemical remission of society dirty sins
Nebulization of purificating spores
Will fill the sinners lungs
Gas masked mindless automatons
Insane toxic scheme
To reach peace through terrorism

Religion guided will
Fanatism
Vital sap for the weak feed their empty life
Tighten their spiritual leashes

Sarin benison

Spreading through the air
The nerve gas will purify them
Asphyxiating extreting ejaculating
Boiling with pyrexia

Spreading through the air
The nerve gas will purify them
Uncontrolled bodily functions
Loosing consciousness
Trembling with convulsions
Seizures until death

[solo a. Locci]

Landscape of death
Thousands of bodies seems petrified
Disfigured laying down in their droppings
