

## Primitive Death

Nattefrost

Pills, poison, semen, snot  
Blood, vomit, fire, snuffer - SATAN - Torture!!!!!!!  
Primitive death  
My self destruction, my self abuse.  
I bleed for satan, I live in sin!!

Primitive death!!!!!!

Alcohol, drugs, abuse, disease  
Chaos, cunt, goat, worship!!

Primitive death!!!!!! [repeat]

Razors and steak knives, I want to kill!!!  
I hate all humans, I need to kill!!!!!!

Life is disgusting, hating all life...  
Once again I mock God's name  
And remind you all of Hell  
Killing everything, killing myself  
Life is bliss when playing God  
Revenge - death - Satan - Triumph!!

Pills, poison, semen, snot  
Blood, vomit, fire, snuffer - SATAN - Torture!!!!!!!

Primitive death!!!!!!!

My self destruction, my self abuse.  
I bleed for satan, I live in sin!!

Alcohol, drugs, abuse, disease (Mushroom)  
Chaos, cunt, goat, worship!!

Primitive death!!

Razors and steak knives, I want to kill!!!  
I hate all humans, I need to kill!!!!!!
