

I'll Be Back For More

Natural

Trust me
I know you're shy
But when you're with me
I see the love in your eyes
Tell me why
Can't you say the way you feel
And if our love is real
Say you'll love me
Forever and ever

I'll be back for more
I'll be back for more
Why can't you say
That you feel the same way
I'll be back for more

You say
You're afraid
You'll get burned again
But baby I'll pray
That some day
You'll let my love in
Oh I can't wait
Till you tell me how you really feel
And if our love is real
Say you'll love me
Forever and ever

Oh baby, Just let me know
And if you love me you've got to let it show
I'm down on my knees
I'm begging you please
