I'll Be Back For More

Trust me I know you're shy But when you're with me I see the love in your eyes Tell me why Can't you say the way you feel And if our love is real Say you'll love me Forever and ever

I'll be back for more I'll be back for more Why can't you say That you feel the same way I'll be back for more

You say You're afraid You'll get burned again But baby I'll pray That some day You'll let my love in Oh I can't wait Till you tell me how you really feel And if our love is real Say you'll love me Forever and ever

Oh baby, Just let me know And if you love me you've got to let it show I'm down on my knees I'm begging you please Natural
