This Is Where The Party's At

Yeah, this is where the party's at This is where the party's at Come on This is where the party's at

Monday morning To Friday afternoon Stressing you out But tonight The weekend comes around And it's time to break out

Everyone needs some time Time to get away Baby come free your mind Free your mind and free your soul This is your night to shine If you wanna babe Baby it's ok It's ok to lose control now

If you wanna groove now This is where the party's at Gotta make your move now This is where the party's at Everybody's gettin' in the zone This is where the party's at Everybody come on This is where the party's at

Tonight we'll make you Forget your problems Forget all your fears Whatever you wish Your secret fantasies We'll take you there Oh yeah

Throw all your hands up high So that I can see Dance how you just don't care Raise your hands let's raise the roof Whatever you want to try It's all good with me No no It's all good with me There ain't nothing you can't do now

Everything that you've been missing in your life You can find inside your soul And that's all that really matters tonight So party party all night long

Come on now Pump it up To the left Pump it up

Natural

Now to the right Pump it up Everybody Pump it up Come on Pump it up Pump it up Pump it up Let me see you Pump it up Here we go Pump it up This is where the party's at
