

# Hip Hop Hooray

Naughty By Nature

You drew a picture of my morning  
But you couldn't make my day, Hey!  
I'm rockin' and you're yawning  
But you never look my way, Hey!  
I'm lickin down you darlin'  
In every single way, Hey!  
Your funny flow is foreign  
And a green card's on the way!

This ain't got shit to do wit shampoo, but watch your head n shoulders  
Brother older bold enough to fold ya, yo I told ya  
A raid afraid of what I made  
Plus played a funky fit so save ya flips  
Plus tricks for that music plus the monkey bit.

Triggas from the Grilltown Illtown  
Some ask how it feels now  
How the deal is that we're real so we're still around  
Don't lamp wit a freestyle phantom ain't tryin' to be handsome  
Shrinkin' what ya thinkin' cause I'm vampin'

I live and die for Hip Hop  
This is Hip Hop for today  
I give props to Hip Hop so Hip Hop hooray...  
Ho...Hey...Ho

You heard a lot about a brother gaining mo' ground  
Being low down I do the showdown wit' any little ho round, no!  
I wanna know who you're believing through you're funny reasons  
Even when I'm sleeping you think I'm cheatin'  
You said I know you're Mr. O.P.P. man  
Yo PP man won't only see me man  
You should've known that when hit in the stack, I was wit it a bit  
And step not to consider the rep, heck!  
I did your partner cause she's hot as a baker  
cause I'm Naughty by Nature, not cause I hate cha!  
You put your heart in a part of a part that spreads apart  
Even though I forgave ya when you had a spark

You try to act like something really big is missin  
Even though my name's graffiti written on your kitten  
I love Black women always and disrespect ain't the way  
Let's start a family today Hip Hop hooray...ho...hey!

Hip Hop Hip Hop Hip Hop Hip Hop Hooray!  
There's many hungry Hip Hoppers one reason Hip Hop's  
Hip top today swerve what cha heard  
Cause I ain't bailing no hey ain't choppin no crops  
But still grownin ever day!

Here's a thunder sound from the wonders found  
From the underground town down the hill  
Feel how Illtown drown smiles to frowns  
Snatchin' crowns from clowns beat downs are found  
Don't know me don't come around.

Tippy tippy [pause]

Sometimes creepin' up I eat em up  
Your style is older than Lou Rawls!  
Peace to this one and that one and them  
That way I shout out and I didn't miss one friend  
Fools get foolish neither them or Parker Lewis knew us  
You could have crews wit shoes and can't step to us  
Some kitty purr I call em sir too  
Any trick that diss gets a curfew  
I put my projects for boots step through troops and leave proof  
My problem solvers name is Mook!  
I hittin' woodys in a hoody  
Peace to Jesette, Jobete, Jo-Jo, Genae, and every hood gee!  
That's right my fight is ill  
Peace goes to L.O.N.S. and Quest, Nice & Smooth & Cypress Hill
