

# Broken Down Angel

Nazareth

1. She used to be someone you could depend on  
To brighten up your coldest winter day  
But the one she leaned upon  
Let her down - now has moved on  
And morning brings her another empty day

R: Now she's only a broken down angel  
She's only a bird that's broke her wing  
She's only someone, someone who's gone wrong  
She's only a child that's lost her way

2. She used to be a girl of simple pleasures  
A breath of spring to chase your blues away  
But now she bears a cross  
For a love that she has lost  
No sunshine in her life - just clouds of gray

R:

R: (2x) +  
Now she's only a broken down angel ....
