

## Called Her Name

Nazareth

Called her name but the wind blew strong,  
I called in vain though I tried so long,  
Called the sea to bring her home,  
But the sea dont hear and Im still alone  
I feel an emptiness inside  
Something within me I cant hide

Standing here looking at the sky,  
But the light I see cant tell me why,  
I feel an emptiness inside,  
Something within me I cant hide.

Everytime I stop to think  
Thats the time I get lonely  
Thats the time it hurts the most  
Everytime I get lonely.

What went wrong, who am I to blame,  
Did I take too long, to call her name,

I feel an emptiness inside  
Something within me I cant hide.
