

Called Her Name

Nazareth

Called her name but the wind blew strong,
I called in vain though I tried so long,
Called the sea to bring her home,
But the sea dont hear and Im still alone
I feel an emptiness inside
Something within me I cant hide

Standing here looking at the sky,
But the light I see cant tell me why,
I feel an emptiness inside,
Something within me I cant hide.

Everytime I stop to think
Thats the time I get lonely
Thats the time it hurts the most
Everytime I get lonely.

What went wrong, who am I to blame,
Did I take too long, to call her name,

I feel an emptiness inside
Something within me I cant hide.
