

# Dream On

Nazareth

Dream on,  
You can hide away  
When theres nothing to say  
So Dream on,

Dream on,  
Though its hard to tell  
Thought your foolin' yourself  
Dream on,

You can laugh at me cause I'm cry-ing  
You can tell your friends how much I begged you to stay  
You can have your fantasys without me  
But you'll never know how much I needed you  
Dream on,  
It's so easy for you  
Though I'm broken in two  
Dream on,  
Dream on,  
You can never see  
What your doing to me  
Dream on,  
You can cross your heart and still be lyin  
You can count the reasons why you've thrown it away  
You can dream your life away without me  
But you'll never know how much I've needed you
