

Empty Arms, Empty Heart

Nazareth

Now you say you're leaving
Leaving me without a friend
How can you do what you're doing to me
How can you say you want to be free of me

Now you say it's over
And your walkin' out my door
Tellin' me you're going away for good
Never coming back and i'll never see you again

You left me here with my empty arms
My empty rooms
And my empty heart is crying

Nothing is left for me now you're gone
It just ain't right and i know it can't last i'm dying

Now you say you're leaving
Leaving me without a friend
How can you do what you're doing to me
How can you say you want to be free of me
