I Had A Dream

I had a dream I had a dream I saw the mission band, playing on the green It was the saddest thing, i have ever seen What did it mean, what did it all mean?

And in my dream, in my same dream I saw the soldiers marching, on the green The band played a funeral march Many a tear was seen All in my dream, all in my dream

I heard the lesson read, i heard the choir I saw the falling leaves, landing everywhere I saw the family gathered, crying in despair I was not there, i was not there
